

The AFV Advantage

- *High flow, low head propeller pump
< 35 ft TDH*
- *Municipal and industrial applications*
 - *Flood control*
 - *Drainage*
 - *Irrigation*
 - *Intake*
 - *Storm water*
 - *Coffer dam*
- *Pre-engineered design
up to 30 000 gpm*
- *Engineered design
up to 800 000 gpm*

Above Ground Discharge

Below Ground Discharge
